

Admissions policy for South Wirral High School 2019-2020

Section1: General Principles

South Wirral High School is an 11-19 mixed all-ability school, serving the communities of Eastham, Bromborough and the surrounding areas of Wirral and Cheshire including Hooton, Neston and Ellesmere Port. We are a specialist Visual and Performing Arts College, with a second specialism in Maths and Computing but we do not have any requirement for an aptitude from prospective students.

As a Foundation School the Governing Body is the Admissions Authority and is responsible for decisions on admission to the school.

The main principle of admission for South Wirral High School is to maintain the character of the school as an all-ability school, providing for the needs of young people aged 11-19.

Admission to our school is not based on any “voluntary” contribution.

Students will be admitted at the age of 11+ without reference to ability or aptitude using the criteria below. The Published Admission Number for 2017 and subsequent years will be 212. The school may exceed its Published Admission Number if not doing so would result in eligible children of the same household being refused admission.

The school participates in the Wirral Co-ordinated Admissions Scheme and all deadlines within that should be adhered to by applicants.

Section 2: Over subscription criteria

If the school is over-subscribed the following over-subscription criteria will apply:

1. Children who are **looked after** or previously looked after by a Local Authority and/or children with **an EHC Plan of Special Educational Needs** that names South Wirral High School.
2. Children who will have a **“sibling”** on roll at South Wirral High School at the time of their admission. A **“sibling”** is defined in the notes below.
3. Children whose **“home” is closest to the front entrance of the school** as measured by the Wirral Local Authority mapping system using the shortest walking route. **“Home”** is defined in the notes below.

Notes :

(a) **Sibling** is defined as

(i) A brother or sister by the same parents

(ii) A half or step-brother or sister living in the same household

(iii) A child living in the same household as another child who is on-roll at South Wirral High School at the time of their admission.

(b) **Home** is the principal residence of the child or of the person who is responsible for the care of the child.

(c) A **Looked After Child** is a child who is a) in the care of a local authority or b) being provided with accommodation by a local authority in the exercise of their social services functions (under section 22(1) of the Children Act 1989). A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.
