EXTRA CURRICULAR ACTIVITIES

2019-20

*Activities correct as of October 2019

Have you ever thought you would like to join a regular club to...

- Meet other students who share the same interests?
- Gain extra help in subject areas you find difficult?
- Develop your talents even further in subjects you achieve high grades in?

Then now is your opportunity!

If you are interested in going along to any of the clubs listed in this booklet, see the member of staff involved.

Don't feel that if you miss a session you can't go along again, there may be the opportunity to join in at any time throughout the term. But remember, you will only improve if you are committed.

Many other subject specific clubs are timetabled at various times throughout the year by arrangement with staff - these will be advertised in department areas and through student notices. These include Mrs Connolly's Food Technology groups, and the 'Tech Team'. See either member of staff for more information.

NOTE: A first aider will always be available in school until 4pm, but may not be available after this time.

MONDAY

	Subject	Activity	Room	Time	7	8	9	10	11	12	13	Staff	
LUNCH	Citizenship	Debating Society	E1	12.20 - 12.50	7	8	9	10	11	12	13	Mrs Barr & Mrs Chesters	
		The Debating Society offers pupils a chance to talk about and give their opinions on current events and topical discussions. Come along if you have a flair for debating issues, are interested in going out to competitions at other schools and events, and want to be part of a well-established group of pupils.											
	Computing	Unity Club	T32	12.15 - 12.55	7	8	9	10	11	12	13	Mr Burton	
		Learn how to design, program and build computer games using Unity.
