<b>Policy Owner:</b>	Mr D Harrison / Mr T Moseley
<b>Date to be Reviewed:</b>	01/06/2023
<b>Date Adopted:</b>	15/06/2022

# 1. Background

A key priority for the Government is to close the gap in attainment between those from less fortunate and more affluent backgrounds, and to ensure every young person participates in and benefits from a place in 16 to 19 education or training.

The Department for Education (DfE) established the 16-19 Bursary Fund in 2011. The aim of the Fund is to help 16 to 19 year olds continue in education, where they might struggle for financial reasons. It enables those students to access additional funds to support: learning; participation in activities to enrich their learning experience; and pursue applications to Higher Education. There are two types of 16-19 Bursaries:

- **Vulnerable Bursary** For young people in one of the defined vulnerable groups.
- **Discretionary Bursary** Awarded by the school to meet individual needs i.e. help with the cost of transport, meals, books and equipment.

# 2. Eligibility Criteria

For students to be eligible for the bursary fund, students must meet the age and residency criteria as listed below:

- Be aged over 16 and under 19 on 31st August 2022 or 19+ with an Education, Health and Care Plan (EHCP) or continuing on a course you started aged 16 to 18 (known as being a '19+ continuer')
- Be enrolled on a full time course
- Meet the ESFA's residency criteria as set out in the ESFA Funding Guidance  
*\*\* Students aged 19 or over are not eligible for a Vulnerable Bursary.*

# 3. Bursary Groups

This policy meets the requirements of the Education and Skills Funding Agency (ESFA)'s 16-19 Bursary Fund Guide 2021-22, providing pupils with the opportunity to benefit from the fund at different levels according to individual circumstances. There are three groups at whom the school Policy is directed:

## **Bursary Level 1 – Vulnerable Student Bursaries**

The school can approve up to £1,200 of bursary funding which will be paid to students who are in one of the following 'vulnerable group' as defined by the ESFA:

- In Care or Care Leaver
- Receiving Income Support or Universal Credit in their own right
- Receiving Disability Living Allowance or Personal Independence Payment in their own right and Employment Support Allowance or Universal Credit in their own right

## **Bursary Level 2 – Core Bursaries (household income below £25,000)**

This is based on the financial position of the student's family, and their needs to continue in education. To be eligible, the student's family household income must be **below £25,000** per annum, to include income from employment, pension's payments, and jobseekers allowance, all tax credits including child tax credit and working tax credit but child benefit may be excluded.

## **Bursary Level 3 – Discretionary Bursaries (for pupils not in the above category) \*\* Applications / Requests accepted from January 2022 only\*\***

The 16-19 Bursary Fund is limited. If funds remain after the above bursaries, students not in receipt of these may

apply towards the costs of transport, equipment, school trips in the UK, visits to universities etc. Decisions will be made on a case by case basis, and must demonstrate a real need for assistance. Students applying will be required to provide evidence of family income. Evidence of payment of costs will be required (please ensure you keep receipts where possible).

### **Important**

All applications and evidence must be submitted by **30th September 2022.** Late applications will always be considered, but payments cannot always be backdated. Successful applicants will be contacted by The Mercian school directly to discuss their award payments.

## 5. Assessment Procedure

The distribution of the Discretionary Bursary fund will be dependent on the number of eligible students and the school reserves the right to retain 20% of the 16-19 Bursary amount provided. This is to accommodate changes in circumstance and ensure that requests for funding from students following such changes can be accommodated. 5% may also be retained for administration of the fund.

The awards listed below are the maximum payments which can be made subject to the numbers of students who are accepted and **are not guaranteed**. They will be determined according to family income and costs expected by the student.

Schools receive no government funding for Free School Meals students in years 12 and 13. We therefore allocate these costs to our bursary funding. This year £500 has been allocated from the Bursary fund to each Free School Meals student to cover the costs of their Free School Meals. The remaining bursary funds are then available to support students with specific needs to ensure they are not disadvantaged by remaining in education.

The amounts awarded to each student eligible for a level 2 bursary will also be determined by the total number of students who apply successfully before the deadline. The Bursary fund is a finite amount and, in cases where there are high numbers of eligible students, each student may receive less than the maximum. The school will seek to ensure total payments do not exceed funding provided by the ESFA.

Tier	Eligibility Criteria for Level 2 Bursaries	Maximum Bursary award for whole year
A	Students in receipt of Free School Meals	£800
B	Students with family income below £25,000, not on free school meals	£800

### **Important**

- For Tier B - evidence of household income for all parent(s) is required to support the application.
- Students who are in receipt of Free School meals (Tier A) will not be required to provide evidence of income – subject to confirmation from Wirral Council. You can find out if you are entitled to free school meals by visiting our website: <https://www.cloudforedu.org.uk/ofsm/sims-wirral/>

### **Student Educational Needs**

As part of the online bursary application, students are required to indicate how much they may need to spend on items to help them stay in education.

The list below is an example of the costs that students may receive bursary support for:

- Public transport to and from school – If a student indicates in their application form that they take public transport to school, some of their bursary will be allocated specifically to termly payments for travel costs. It will not be possible to claim for travel costs using a claim form, except those relating to university visits.
- School uniform / sports kit – Each eligible student will automatically receive a one off payment of up to £150 to cover their uniform costs for the year. It will not be possible to claim for additional uniform costs using a claim form.

- Trips and UK education visits - we may fund up to **£100 for overseas trips**
- University visits / interviews
- Curriculum materials / equipment – books, revision guides, consumables, etc.
- Examination fees including re-sit if applicable
- Music tuition fees – for tuition organized by the school.
- School meals – Tiers B students will have the option to request that some of their bursary be allocated to the school canteen system.

Other equipment – we may be able to contribute up to **£300 for a laptop used solely by the student and £100 for a printer**. Please note that students are entitled to 1 printer and 1 laptop during their two years of 6th form.

- We would recommend that laptops purchased be of Windows 10 specification so that they are compatible with the forthcoming digital transformation project that the school will be embarking upon.
- Other items

## 6. Payments

### Vulnerable Bursary Payments: A fixed guaranteed bursary of £1,200

The frequency and amounts of payments will be agreed between the student, school and School Business Manager and will usually be made at regular intervals directly to the student’s own bank account via BACS.

- Be punctual to all lessons.
- Demonstrate good behavior.
- All work required by teaching staff will be submitted to the deadline set.

## **8. Complaints or Appeals**

Any student or parent who is unhappy with the handling of application for bursary funding or wish to make an appeal should follow Sixth Form @ South Wirral's complaints procedure. It is important to note that appeals for Levels 1 & 2 bursaries on the grounds of income levels alone are unlikely to result in a revised decision. Complaint forms are available from each school.

## **9. Confidentiality**

The School will ensure that applications are handled confidentially. For audit purposes, however, computerized copies of all documentation for learner support will be kept for a period of six years and will be held securely and in compliance with the Data Protection Act. The information will be made available for audit purposes.

## **10. Equal Opportunities**

No applicant will receive less favorable treatment on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

## **11. Review**

This policy will be reviewed on an annual basis, taking into account the views of Sixth Form @ South Wirral, young people and their parents and statutory guidance from the Department for Education (DfE) and the Education Funding Agency (ESFA).
