

FAITH & PHILOSOPHY | STATEMENT OF AIMS

THE AIM OF THE KS3 CURRICULUM IS TO DEVELOP...

SUCCESSFUL LEARNERS

KS3 RE encourages students to learn about and develop their understanding and respect of the beliefs and views of people from other religions and cultures. It also develops students' ability to communicate their thinking in extended written communication and begin to learn skills and knowledge to support the GCSE curriculum.

CONFIDENT, INSPIRED INDIVIDUALS

KS3 RE encourages students to express their opinions and beliefs on the big questions in life such as immortality and the problem of evil and compare their lives with those who belong to other cultures and traditions.

ASPIRING, RESPONSIBLE CITIZENS

KS3 RE aims to help students make an informed contribution to British society and value by having knowledge and understanding of others in a multi-cultural country.
