

HISTORY STATEMENT OF AIMS

THE AIM OF THE KS4 CURRICULUM IS TO DEVELOP...

SUCCESSFUL LEARNERS

KS4 History encourages students to develop their understanding of underpinning themes such as cause and consequence, change and continuity, chronology and significance, in order to develop a deep understanding of events in the past. It also seeks to develop student's ability to communicate their thinking in extended written communication.

CONFIDENT, INSPIRED INDIVIDUALS

KS4 History encourages students to examine sources of evidence and interpretations of history, draw conclusions from those sources and interpretations, and engage in debate on how the past can be interpreted.

ASPIRING, RESPONSIBLE CITIZENS

KS4 History aims to help students understand modern society by drawing upon the lessons of the past.
